## WOODS PREMIUM REAR DISCHARGE FINISH MOWERS

Woods' reputation for safe, durable, high-quality mowers began in 1946 when our first model rolled off the manufacturing line. Years of experience building quality mowers and satisfying customers have made our rear discharge finish mowers the best on the market.

Now, the best is even better.

Introducing the next generation of finish mowers, the PRD-Series. Woods premium rear discharge finish mowers are engineered for maximum performance and efficiency. The PRD-Series mowers are designed to leave a smooth cut and uniform distribution on all types of grass including tough southern varieties. A strong 8-gauge steel deck withstands commercial-duty workloads and our powerful 60 hp gearbox has a five-year limited warranty.

The PRD-Series mowers are available in 60-, 72- and 84-inch cutting widths in colors to match nearly every major tractor brand.

Combine our engineering excellence and extra durable parts and you've got years of worry-free performance. See for yourself why Woods' premium finish mower is the ultimate "Tested. Proven. Unbeatable." rear discharge mower on the market.

Tested. Proven. Unbeatable.™

## EXCLUSIVE Woods Features

- Cast-iron spindle sheaves with taper-lock bushings help the PRD-Series mowers last longer than other brands
- Crossbar blade mounting with two bolts is extra durable
- Tapered deck design trims close to objects
- Kevlar® belt with clutching cover protects parts and reduces down time
- Anti-shimmy caster wheel springs mounted on tubular caster wheel arms add strength and shock absorption
- Optional chain shielding attaches and detaches easily

## More PREMIUM Features

- High blade tip speeds for superior cutting performance
- Floating top link helps prevent scalping
- Optional grass and leaf mulching kit
- Improved baffle distributes material more evenly
- Clevis style lower hitch points for easy tractor attachment
- Available in Woods orange; also blue, orange, green, and red to match major tractor brands
