## IMPORTANT SAFETY NOTICE

Dear John Deere Customer:

In voluntary cooperation with the U.S. Consumer Product Safety Commission (CPSC), Deere & Company is recalling certain 3032E and 3038E Series Compact Utility Tractors (CUTs). Our records show that you own one of these tractors.

**PROBLEM:** An incorrect differential assembly may have been installed into the transmission during production. The incorrect differential could cause the tractor to turn to the left when the brakes are applied.
